With aquaculture operations fast expanding around the world, the adequacy of aquaculture-related laws and policies has become a hot topic. This much-needed book ... Contributors : Aquaculture Law and Policy National aquaculture law and policy: China Hui Liu

INTRODUCTION This chapter illustrates the current legal framework governing aquaculture in China, with a focus on mariculture activities and issues related to

policy and law enforcement. National aquaculture law and policy: China : Aquaculture ... Disturbances in societal resilience and reduction in social capital can be associated with shifts toward high-capital aquaculture. Resource conflicts can rapidly arise when traditional users feel that aquaculture is encroaching on their “patch” (Orchard et al. 2015). However, most of these defined disturbances to traditional societies are ... World Aquaculture Society | Societal and Economic Impacts ... Aquaculture is projected to be the prime source of seafood as demand grows from the global middle class and wild capture fisheries approach their maximum take. Sustainable aquaculture is a dynamic concept and the sustainability of an aquaculture
