Brian Jones: The Making of the Rolling Stones: Trynka

Brian Jones, the founder of the Rolling Stones and a major figure in the Swinging London scene of the mid-1960s, finally steps into the spotlight. Most Stones history takes a revisionist approach and virtually erases his significance--history is written by the victors, and Mick and Keith have done a good job burying the legend around Jones (even Scorcese skated over Jones' significance in his Stones doc).

Brian Jones The Making Of

Brian Jones was the originator, soul, & brains responsible for the bands formation. Too little credit is given to this genius musician. Both Mick Jagger & Keith Richards have ignored the importance of his contributions when commenting on the Stones history. Whether it be musically or image/attitude, Brian Jones was THE MAN!!!
