A 10-step guide to recession-proofing your finances Not many investors pay much attention to deflation or hyperinflation — most believe they are black swan events. Like a junk food eater who ignores diabetes because he feels okay right now, we tend to think of devastating, macro-level financial catastrophes in an abstract “out-of-sight-out-of-mind” way . . . until disaster hits our doorstep with total immediacy. Protect Your Portfolio from Hyperinflation and Depression Any extended sitting — such as at a desk, behind a wheel or in front of a screen — can be harmful. An analysis of 13 studies of sitting time and activity levels found that those who sat for more
