English Research Paper Rubric Characteristics to note in the rubric: Language is descriptive, not evaluative. Labels for degrees of success are descriptive (“Expert” “Proficient”, etc.); by avoiding the use of letters representing grades or numbers representing points, there is no implied contract that qualities of the paper will “add up” to a specified score or grade or that all dimensions are of equal grading value. Example 1 - Research Paper Rubric - Cornell College Paper will be graded on quality of research, effective use of information gained through research, credibility of sources, and relevance of included information. Grade will be based on organization, clarity, use of transitions, appropriate voice, correct citation format, grammar, spelling and punctuation.
