Libby/Libby/Short is the only financial accounting text to successfully implement a real-world, single focus company approach in every chapter. Students and instructors have responded very favorably to the use of focus companies and the real-world financial statements. Libby, Libby, and Short - Financial Accounting, 7th Edition Libby/Libby/Hodge believes in the building-block approach to teaching transaction analysis. Most faculty agree that mastery of the accounting cycle is critical to success in financial accounting. And yet all other financial books introduce and develop transaction analysis in one chapter, bombarding a student early in the course with an overload of new concepts and terms. The authors

believe that most faculty take more time with the accounting cycle, but other financial accounting textbooks ... Financial Accounting: Libby, Robert, Libby, Patricia ...
