honda gx240 parts My Honda

GX-340 is a recoil start only motor. I

know that honda has 1 through 18

amp start systems for this engine. I

thought that the basic GX-340 and

GX-390 used the same charging

components and was wondering if

other more plentiful Honda engines

such as vertical shaft lawn mowers

would have some the components

that could be used for my

application. I would like to convert

my GX340 to electric start with a
