Integrated Organisational

Communication 2nd Edition covers these aspects and addresses the growing need among students and practitioners for a book that takes a broad look at organisations' communication, and then delves into the detail. This book adopts a multidisciplinary approach to organisational communication, and while it takes cognisance of individual academic and professional disciplines, it avoids alignment with any one of these. Juta | Integrated Organisational Communication 2e Integrated Organisational Communication. "Communication is often described as the glue that binds an organisation, enabling interaction with its customers, agents and the broader public. Communication flourishes in
