active. Quotations: “It is, rather, the record of an inquiry into a vocabulary; a shared body of words and meanings in our most general discussions, in English, of the practices and institutions which we group as culture and society” (15). Raymond Williams, “Keywords: A Vocabulary of Culture and ... Keywords, published in 1976, stemmed from work done during the writing of Culture and Society some twenty years earlier. Looking at the idea of culture and its development had shown Williams that it was only by returning to modulations of the word through history that one could understand even the term itself.
