The purpose of this course was to support NATO on defence issues related to terrorism and united experts from various disciplines to give participants an understanding of how the various dimensions of the laws and their application fit

Abstract: The legal response to transnational terrorism is constantly evolving. For example, after the unprecedented destruction caused by the 9/11 attacks, there was a shift towards the use of military force as the primary tool in transnational counter-terrorism (CT), rather than an approach based on a law enforcement paradigm.
