QuestionPro The Business Objective Model (BOM) is created to

document a project's value for the company creating it. The elements of a Business Objective Model are business problem/objective pairs that culminate in product concept to solve the business problem.

Success metrics are also included, which state the goals the project will be measured against.

Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks).
