market town, but this function declined in importance from the 13th century on. The town's subsequent history became the history of the university, although there was always a certain antipathy between "town and gown." This found its most violent expression in the Massacre of St. Scholastica's Day in 1355. Oxford | England, United Kingdom | Britannica Through the topics studied in Components 1, 2 and 3 (Historical investigation), A-level students must cover a chronological range of at least 200 years.

There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download.
