Free eBooks PDF The Surgical Talk textbook is now into its third edition. It has long been a cornerstone of undergraduate revision and I can testify to making good use of it during my own medical student days. The authors have deliberately set out to use a conversational style and have eschewed lists (common to revision textbooks) in favour of a tutorial-based approach. Surgical talk: lecture notes in undergraduate surgery Surgical Talk As final examinations approach, medical students often become overwhelmed by the sheer volume of knowledge required to pass all subjects in one go, including surgery, medicine, obstetrics and gynaecology, pharmacology, and psychiatry.
