The Future of Secularism The Future of Secularism (Oxford India Collection ... A contra-secularization hypothesis is proposed and defended in the discussion. It states that secularism is likely to undergo a decline throughout the remainder of the twenty-first century, including Europe and other industrial societies. The Future Of Secularism For over a century, social scientists have predicted declines in

religious beliefs and their replacement with more scientific/naturalistic outlooks, a prediction known as the secularization hypothesis. However, skepticism surrounding this hypothesis has been expressed by some researchers in recent decades. After reviewing the pertinent evidence and arguments, we examined some aspects of the ... The Future of Secularism. While these arguments about the merits or otherwise of secularism are well rehearsed, a relatively new feature of the debate is the view that Western democratic societies are now becoming increasingly "post-secular." Secularism and Religion - Oxford Research Encyclopedia of ... If secularism were to rediscover the language, symbols and images of traditional religion, now reinterpreted along naturalistic lines, this cultural divide could be bridged. Women and men of good faith could think once again of a broad progressive coalition among religious believers and nonbelievers, which, though it could not agree on all

issues, would undoubtedly find a lot of political common ground. ScienceDirect This paper investigates the framework of Islamist politics of Jama'at e Islami in Indian-administered Kashmir. Even though Jama'at e Islami creates the notion of "other" in the Indian state and challenges it but Kashmir's provincial relationship with India also forces it to work within the limits set up by the same state. Confronting the Indian State: islamism, secularism, and ... In contrast, this article argues that caste was central to the formulation of Indian secularism and requires a longer historical perspective. It maintains that secularism reified the religious minority and, in so doing, denied both its potential to overcome marginality and the legitimacy of the community in the nation.
