The Sunflower Forest The Sunflower Forest is a science book that taught me more about community than many books ostensibly about community. It's also an insightful, if a little "out there" treatise on restoration ecology. The lessons are profound, but the policy recommendations - a debate within a narrow field of eco-philosophers - will date very quickly. The Sunflower Forest: Ecological Restoration and the New ... The problem with 'The Sunflower Forest' is not that it is also a work of fiction, but that it doesn't focus on children with special needs like Hayden's other novels. At first, this put me off.
