Twilight Of The Money Gods Twilight of the Money Gods is the story of economics, told not as the science it strove to be, but as the religion it became. Imagine one day you went to a cash-machine and found your money was gone. You rushed to your branch, where a teller said that overnight people had stopped believing in money, and it all vanished. Twilight of the Money Gods It certainly doesn't make a case that economics is a religion, or that it went wrong, or that professional economists are money gods or are facing twilight. As best I can tell, and I admit to guessing, there are three reasons the author compares economics to religion. Twilight of the Money Gods: Economics As a Religion and ...
